

Dear Applicant

Here are *The Pagan Seminary* course outlines for the 2021 course, subject to covid19 regulations we will be commencing the course in February 2021.

The course is a residential course that will be held in the Sussex Countryside. The center has good access to public transport, major road systems, and Gatwick Airport.

The food we provide is simple but wholesome, and we will have a supply of tea, coffee (ordinary and decaffeinated), juice, and water available for you as required. However, if you have unusual dietary requirements, we would ask that you bring additional foodstuffs with you. (If in doubt as to what constitutes unusual dietary requirements, please phone and speak to the administrator).

All the facilities are dormitory style, but they are dry and warm.

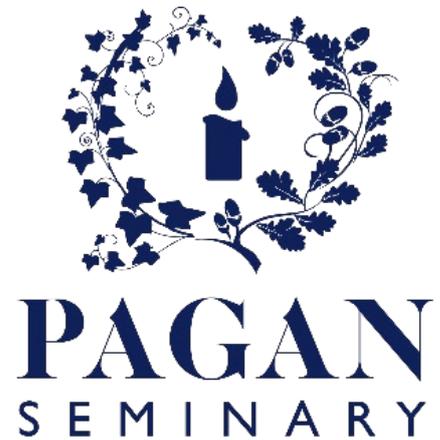

We have had a lot of interest to date, and expect the course to fill quickly, so please do get your application form back to us ASAP, so that we may confirm your place.

Once the government guidelines enable us to confirm the course dates we will request your non refundable deposit of £200.

Provided the deposit is received promptly we will then allocate places according to the received application forms on a first come first served basis.

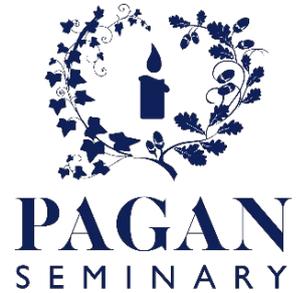

Love and Blessings
